ABOUT US

We, Karthik Fire Solution offers comprehensive fire safety services for residential, commercial, and industrial spaces. Our expertise in Installation, Inspection, and Maintenance ensures complete protection and adherence to fire safety standards. At, Karthik Fire Solution We delivers end-to-end fire protection systems and compliance services designed to safeguard lives, assets, and businesses. We specialize in modern, reliable, and regulation-compliant fire safety solutions across residential, commercial, and industrial sectors.

PRODUCT VAULT

Expert fire fighting
& safety solutions

01

SAFETY SIGNS:

We offer a wide range of Safety Signs including fire exit signs, hazard warnings, emergency instructions, and mandatory safety notices. Designed for maximum visibility and durability, our signs help maintain safety awareness and ensure compliance with regulatory norms.

02

WET AND DRY HYDRANT SYSTEM:

We design and install Wet and Dry Riser Systems that deliver water to different levels of a building during fire emergencies. Wet systems are constantly filled with water, while dry systems are charged by fire brigade pumps when required—ensuring flexibility, efficiency, and compliance with safety norms.

03

FIRE EXTINGUISHERS :

We supply reliable and certified fire extinguishers suitable for all types of fire risks, ensuring quick response and enhanced safety.

04

FIRE ALARM AND SMOKE DETECTION SYSTEMS:

We provide installation and maintenance of Fire Alarm & Smoke Detection Systems that continuously monitor your premises for signs of fire. These systems trigger instant alerts through alarms and control panels, helping prevent major damage and ensuring safety.

05

SPRINKLERS SYSTEMS:

Enhance your fire safety infrastructure with advanced Sprinkler Systems engineered for rapid response and reliable performance. Our solutions provide continuous, automated protection ensuring maximum safety with minimal damage.
